As you may know, the Association has purchased a new security gate at the boat launch. A gate pass (key card) is required to open the gate to launch or retrieve your boat or other watercraft. We are currently working on creating your key cards for the spring. The board is asking that EVERY member please fill out the following form, so your key card can be created with the correct and most up-to-date credentials. Please fill out, and mail, fax, drop off OR email the completed form back to the LOSRA office by January 19, 2023. Thank you in advance.
