

## Rule #1- 2022

Activities of the Association will be shut down only by a majority vote of the Board of Trustees.

This will include those put on by the Activities Committee, and other functions held at the club house and pavilion.

This will not prohibit individual activities from being cancelled because of lack of participation, or lack of volunteers running them.

This will also not prohibit the emergency cancellation of activities by the President or Vice President of the Association. In emergency situations, the board must confirm the cancellation with a majority vote the cancellation within 24 hours.
